SLY CUPID'S CONQUEST OF DEWEY IS COMPLETE

The Admiral and Mrs. Mildred Hazen Were Married in Washington Yesterday Morning.

Enthusiastic Hero Worshipers Embarrass the Happy Couple While on Their Way to New York.

Washington, Nov. 9.—Admiral George Dewey and Mrs. Mildred Hazen were married quietly at the rectory of St. Paul's Catholic church in V street, near Fifteenth, this city, shortly before 10 o'clock this morning. The ceremony was performed by the Rev. James F. Mackin, pastor of the church, assisted by the Rev. Joseph H. Foley, assistant pastor, and the Rev. Sidney Hulbut.

The ceremony was of the simplest character, according to the rites of the Catholic church, and the only witnesses besides the officiating clergymen were Mrs. Washington McLean and Mrs.

In the Little Rectory.

At 9:45 this morning two carriages containing the wedding party drew up before the modest red brick rectory in the rear of St. Paul's. The general public had no intimation of where the ceremony was to take place, and not

was required for the performance of the ceremony, and this was procured by Father Mackin from Bishop Curtis, vicar general of the diocese of Baltimore, who granted it in the absence of Cardinal Gibbons, who is at present in New Orleans. Father Mackin went to Baltimore for this purpose yesterday afternoon.

The present status of the millions of acres comprising the public domain is far from satisfactory. Existing regulations and laws which in the early days of the open range were sufficiently comprehensive and adapted to the conditions of the time, have been antiquated and wholly inadequate, and the government lands are now a source of anxiety to the various elements looking to them for sustenance. The changed conditions which now face us must be met by remedies that will solve the important questions for our greatest benefit.

An Important Question.

No question involving the interests of our section approaches the importance of this one, and in its solution the efforts of our strongest and best informed citizens should combine in formulating a bill for the disposition of our public land, to be presented to congress, that will be satisfactory to our people and of such a character as will appeal to the wisdom and justice of that body.

Believing that this matter is of immediate and urgent importance, and that a signal good can be accomplished by a conference of the governors of all the arid and semi-arid states and territories, I invite you to be present at a meeting to be held at the Knutsford hotel, Salt Lake City, Utah, on the 14th day of December, 1899, for the purpose, if possible, of uniting a joint movement towards the accomplishment of this great object, and I trust that you will change plans, if already made, covering this date, so as to be present upon this occasion.

OWEN'S BIG RAMPAGE

IN CACHE COUNTY

Will Cause Arrest of Fifty Polygamists.

SAYS HE HAS A LIST OF SEVENTY VICTIMS

Charge of Polygamy Against Charles Merrill.

Owen Announces His Intention to Make a Big Sensation at Logan—President Tanner and Other Prominent Citizens on His List—Expects to Go Up Next Monday and File Complaints—An Affidavit Against W. H. Lewis.

The Salt Lake correspondent of the New York Journal, who is assisting Colonel Lammie's Storm Bureau in working up cases against Utah polygamists, sent the following report to his New York employers last Wednesday:

"Sixty members of the Mormon church living in Cache county are to be arrested for polygamy. The evidence has been obtained and the information will be sworn to and filed at once. One of the affidavits reads as follows:

"State of Utah, county of Salt Lake, Charles Merrill, being first duly sworn, deposes and says that he is a citizen and taxpayer of the state of Utah; that he is informed and verily believes that one W. H. Lewis, a resident of Logan, in the county of Cache, state of Utah, is and has been for some years past living in a state of unlawful cohabitation with more than one woman, to-wit, Jane Doe Lewis and Edna Lewis, contrary to the statutes and provisions thereunto provided. In support of the above allegation the affidavits as witnesses: Charles Merrill, sworn to before me this 24 day of November, 1899.

A. T. SHROEDER, Notary Public.

"All the persons against whom evidence has been obtained are prominent in the church. Several of them are elders. The judge in the district where they will be tried is himself a son of a polygamist and is opposed to all actions of this nature. The sixty accused polygamists are outspoken friends and admirers of Roberts, whom they recognize as one of the chief disciples of polygamy in the Mormon church."

OWEN'S BOASTS.

Announces His Intention to Make a Big Sensation.

(Special to The Herald.)

Logan, Utah, Nov. 9.—The story that C. M. Owen will file complaints against fifty of the citizens of this county on the charge of polygamy and unlawful cohabitation leaked out here shortly after Owen's visit here on Friday and Saturday of last week. While he visited all the principal cities of the county, but never went near the county attorney. He kept out of the sight as much as possible, but his friends with whom he talked he stated his plans for making a big sensation.

"I have a list of seventy names of men in this county who practice polygamy," said he, "and I will jump on to about fifty. Likely some one will then claim that I caught them all in my net. If so, I will come back after some more, and by so doing create the impression that Cache is full of them."

Owen is expected here on Monday of next week to file complaints. Those according to Owen's plans, are: M. W. Merrill, Isaac Smith, Orson Smith, J. M. Tanner, Dr. O. C. Ormsby, W. B. Parkinson, H. J. Nielsen, Jens Johansen, C. C. Amussen, all of Logan; Charles Merrill of Richwood; W. H. Maughan of Wellsville; Samuel Roskelley of Smithfield; W. H. Lewis of Lewiston.

Owen claims that he has a clear case of polygamy against Charles Merrill.

SHOPS ARE CLOSED DOWN.

Union Pacific Employees at Cheyenne Determined to Stand Firm.

(Special to The Herald.)

Cheyenne, Wyo., Nov. 9.—The big machine and boiler shops of the Union Pacific were practically closed down today and little work was done. The machinists and boiler makers here are on strike, having over 150 men, did not go to work this morning, their refusal to do so being in accordance with their determination of last night to stand firm until their demands for an increase of 25 cents per hour has been granted.

During the day fifteen of the strikers applied and were given their positions as usual, fairly the matter, and still give the better class of strikers their old positions when they apply for work.

The strikers are very orderly and no trouble has occurred, and none is feared. As a precautionary measure, however, the sheriff tonight swore in forty deputies, who will patrol the shop grounds to prevent any possible trouble.
